“Pay less & Save More!”

Why Join?

Dear Hotel Guest,

Thank you for electing to stay at our hotel. We are always looking for innovative ways to increase the value of your stay. Please consider using our new loyalty program. Our new loyalty program is easier to use and accepted at more locations. We have included a free promotional paper membership card with your room rental, a \$3.95 value. Just print the name of the person or business that is paying for your room on the card clipped to this document. Use this card like a AAA card. When making a reservation tell the sales clerk that you are a Save 6 More member. Our sales clerks will reduce your room rental price quote by 6%. All you have to do is show your card at arrival. This 6% is taken off your best deal. If you are a AAA member you'll receive a 10% discount and by using your Save 6 More card you'll get an additional 6% off.

We need and greatly appreciate your participation in this new program. You may feel that 6% is not enough but keep in mind it's an additional 6%. Of course you also save sales tax when you reduce the room rate. This results in a total savings of 6.36%. On a \$78.50 room you'll save an additional \$5.00 per night. This program is in its infancy and needs your help. By using your card you encourage other businesses to participate. Please put this card in your glove box and use it as much as possible. There are currently at least 10 participating locations in Petoskey. To find out which locations accept the Save More Card please visit www.save6more.com.

Sincerely,
The Hotel Management
